

Iron Cross Weekly Announcements March 28th through April 2nd 2011

Slide into Parents Night out this Friday!

It's Slide Night at PNO this Friday April 1st! That's right; we are bringing in the 18ft slide! Parents Night Out starts at 6:30pm and ends at 11:00pm. The cost is \$20 for the first child and \$15 for siblings. We have a Sign-Up sheet at the front desk if you would like to sign up your child in advance.

Summer Camp

We have information available on our summer camps! We have a table in our lobby that has brochures for pick-up. We have also posted the information on our website.

Open Gym

We will be having Open Gym this Saturday April 2nd from 11:30am to 1:30pm. Open Gym is for those students who want to work on perfecting their skills while having some fun with our staff at the same time. The cost for Open Gym is \$10.00 dollars a person. We hope to see your child there.

Decals

Don't forget Decal orders are due today. Just turn in the order form that was handed out last week along with payment of \$13 dollars. If you need a new order form we have them available at the front desk. If you don't have an Iron Cross Decal for your car now is the perfect time to order one.

Card on file

It has been the policy of Iron Cross Gymnastics since January of this year to require a credit card or bank card on file for every member of our gym. If you have not put a card on file with us yet please see our front desk or call at 281-342-4766. This is a mandatory policy for every member of the gym. Our policy is that the card on file is only a back up for us to insure payment by the 15th of each month. As a business, we must be able to control our cash flow in order to run things smooth and efficiently. You may still pay by cash, check, or credit card as long as you pay when tuition is due which is the first week of the month. For those who are uncomfortable with this method we want you to know that we have taken measures to protect your information. All of our systems are networked through cable and are not wireless. Our Wi-Fi is set up on a completely different network. Our computers are password protected, our server is password protected, and your personal information is also password protected. We have never had any problems with breach of information. We really appreciate all your support and cooperation.

Texas Thunder Cheer Try-Outs

If you have a child or know someone interested in cheerleading please open the attachments sent in this week's announcements e-mail and check out information on the best program around. Texas Thunder All-Stars owned and operated by Stephanie Whiddon. For specific questions call 281-232-3320!
