Water-Week (Summer Camp this Friday)

- Parent's don't forget that we are having water day at summer camp this Friday July 29th. If your child is planning on attending camp this Friday July 29th please have him/her bring a towel and a change of clothes. Please put sun-screen on your child before they come to camp. Water-Day will take place between 9am and 11:30am while the temperature is still somewhat cool. We will have an 18ft water-slide in the parking lot. It will be a lot of fun and we still have room if you would like to get your child signed up!

Fall Schedule:

- Parents don't forget to enroll for our Fall Semester! If you are currently enrolled in a class and are planning on continuing in the fall, please stop by our front desk to get your child enrolled. For current students this is a fast and easy process, and it is free. If you are not a current student, you can still enroll! First, fill out a registration form which you can print off of the website, second turn it in and select a class. In order to reserve your spot you will have to pay first and last month with a registration fee, the first month will be pro-rated so that you are not charged for the free trial class. If you are not satisfied with your class after the free trial or after the first month we will give you a 100% refund. (there is no Risk) We urge everyone to register before the August Rush to best insure you get the class you want! **If you would like to pay in advance for all four months of the fall schedule which is September through December, Iron Cross will give you 15% off of your total...The cost would be \$255 for a pre-school class and \$272 for a recreational school age child.**

Mini Olympics:

- The Mini Olympics this year will be on December 10th. We will start some of the training for it in our class program this September. For those of you who are new to our program, the Mini Olympics is an event that we host every year for our class kids to participate in. The kids learn Mini Routines through-out the course of the fall and get to show them off in an In-House Competition that we call the Iron Cross Mini Olympics! This event is lots of fun, look for more details on it in the next couple months to come. We won't start registration for it until October!
