4th Annual Spooky Fun House:

The Spooky Fun House is a concept that we started four years ago with the idea of letting our preschool Beginnings Program children enjoy the same level of fun that the school age kids get to enjoy during this time of year. We build a miniature version of our Haunted House and adapt it to an early childhood age environment. Instead of scary, we make it fun and quirky. This event has rapidly grown over the years and is great family fun!

Trick or Treat Candy Bags:

Each child that attends will receive a trick or treat bag filled with candy as a token for coming to our event! This is a great alternative or addition to trick or treating.

Costume Parade:

We will have a costume parade! All of the kids line up and march through the gym to show off their amazing costumes! This will be a great opportunity for pictures and a whole lot of fun!

Additional Parent Info:

- If the costume is elaborate/restricting bring a change of clothes for playing in the gym.
- Parents need to be present for this event due to the age of the participants.
- We will have carnival style games and obstacles. This event is a come and go as you please. The costume parade will take place early in the event.
- Make sure you sign your child in and out.
- Parents are encouraged to go through the Spooky Fun House with their children.
- We will have cookies and drinks to help celebrate the evening.
