Dear Parents:

We are excited for our upcoming Spring Recital this year taking place at Lamar Consolidated High School! We want to thank you for the wonderful opportunity to work with your children. As we approach the big day, we are making our final preparations for a fun filled show. The students are looking forward to a chance to showcase what they have learned. It also gives us, as a faculty, a chance to let you know our goals for the future.

You have given us an opportunity to educate your children in the world of dance, and since dance is a “performing art” we feel the performance is a vital part of the training of a dancer. In doing so, we hope to provide both you, the audience and the dancers with a professional quality show. To accomplish this, we have put together this packet for your benefit. It will give you detailed information leading up to the recital and what you should expect for recital day.

In this packet, you will find a rundown of the recital for the evening, information on extra tickets, a schedule for the extra rehearsals May 29th- May 31st and the day of recital June 1st, the director’s rules, and a picture schedule and order information. Please read through it carefully, and **place this packet in a special place for easy reference.**

We look forward to a great performance!

**\*\*\*\*\*IMPORTANT PROCEDURES FOR THE DAY OF THE SHOW\*\*\*\*\***

PARENTS WILL NOT BE ALLOWED INTO THE AUDITORIUM UNTIL THE HOUSE OPENS. On the day of the performance, students will be dropped off at a check in station outside the auditorium where each parent must sign in the student. The student will then be escorted to their assigned seating row in the auditorium to sit with the parent volunteers for their class. Each parent volunteer will have an attendance list so that we keep track of the students and you can check out your student at the end of the show. They will not be dismissed until after the entire recital performance is over. All dancers will have a special seating arrangement in the theatre with parent class volunteers. No dancer is allowed to wander around in the audience! There are many reasons for this. The number one reason, being the safety of your dancer. Dancers will not be permitted to roam the hallways or lobby areas. If they need to go use the bathroom they must go with the volunteer for the class. They will not be permitted to leave before the final curtain. Additionally, it is distracting and disrespectful both to the performers and the audience to have people continually getting in and out of their seats. This ensures a smooth running performance with no interruptions. We feel it is important that the first dance and the last dance have the same attentive audience.

After the final curtain, all dancers will remain seated until their parents come to check them out with the parent volunteer.

This is where you can help! We will need to have some moms volunteer to sit with the students in each class. It will be helpful so that we have parents to check and make sure that all the pieces to the costume are ok and accounted for.

All Dancers must treat the volunteer parent assistants with respect. We need to all help one another have a smooth performance! Once you have left your assigned seat to go backstage, there is no talking, "shushing", or noise.

**Costumes:**

Each dancer should have received their costume at this point. As a reminder: The costumes are not to be played in. They will need to be put aside in a special place until recital is over. **All pieces must remain together, and they should be labeled. If a costume gets lost we cannot replace it.** We have also provided tights to go with the costumes. We will hand them out in class. Parents have given us the size they needed for their dancer. If you feel it's not correct, we may be able to exchange it. **Keep in mind that we can exchange ONLY UNOPENED tights.** Once they have been opened and tried on, they cannot be exchanged. If you need another pair, I will have extras for purchase. Please keep those with everything as well.

**On June 1st, All Dancers will need to arrive in their costume.** On the day of recital, please come dressed and ready to perform. **There are NO PANTIES, NO JEWELRY, and NO COLORED NAIL POLISH OR FACE/HAIR GLITTER.**

### **Hair:**

The majority of the classes will require a bun for their dance. Some of the jazz dances may have their hair in a ponytail. Please ask your teacher for confirmation. We suggest not getting a haircut between now and recital. It will be easier to put your hair in a bun or high ponytail. We will post a bun tutorial on the Iron Cross you tube channel if you need help with a bun. You may want to practice before the big day. See Picture below.

### **Make Up:**

Facial make-up is necessary to keep the dancers from appearing washed out under stage lights. Please use only brown tones in the eyeshadow, no colored eyeshadow. Dancers should have a foundation to match the skin tone, blush, eyeshadow (brown tones), mascara, and lipstick. See picture below.
